

Regenerating Wrinkle Treatment

with Peptides, DMAE, and CoQ10

A CLINICALLY PROVEN WRINKLE TREATMENT

Fight aging at a cellular level and help stop wrinkles in their tracks with a clinically proven blend of amino peptides. This proprietary formula brings together a host of powerful skin-repairing agents to stimulate new cell growth, boost the production of collagen, replenish elasticity and firmness and significantly decrease the appearance of fine lines and wrinkles.

Key Benefits Include:

- Visibly reduces the depth and appearance of fine lines and wrinkles.
- Stimulates the production of elastin and collagen.
- Promotes firmer, more resilient skin.
- Helps repair damaged cells at a molecular level.

WHY TREAT?

Your skin type isn't the only factor to consider when you're purchasing skin solutions. You also need to keep in mind other skin challenges such as sun-damage, acne scars, enlarged pores, inflammation, dark circles, sagging skin, etc. While proper cleansing and exfoliating will go a long way to improve many of these challenges, most can be better served with a targeted treatment. Regular use of masks and wrinkle treatments can help you restore the radiance of your skin—and your confidence.

Maximize your skin revitalizing efforts with these other Skincents products:

- *Cleansing Facial Gel*
- *Moisturizing Facial Cleanser*
- *Refining Microderm Treatment*
- *Firming Facial Mask*
- *Revitalizing Facial Serum*

Directions: Dispense 1 to 2 pumps to clean fingertips. Apply gently to targeted wrinkle areas (forehead, eyes, mouth, neck, etc). Allow to fully absorb into skin. Repeat twice daily.
